

AUTOMATED EXTERNAL DEFIBRILLATORS AVAILABLE ON FEDERAL SUPPLY SCHEDULE

In accordance with the Cardiac Arrest Survival Act of 1999 (S 1488), automated external defibrillators (AEDs) are to be placed in all Federal buildings. These devices are available for purchase by all Federal agencies through the Federal Supply Schedule contracts administered by the Department of Veterans Affairs, National Acquisition Center. Listed below are the names, contract numbers, and ordering information for those vendors whose products are currently on contract.

To assist in the selection of an AED go to www.va.gov/oa&mm/nac where you will find a product comparison matrix. Two of the vendor's products can already be ordered directly through *GSA Advantage!*™ at www.gsaAdvantage.GOV. The remainder can be accessed via phone or through the vendor's individual websites.
